Mr. and Mrs. A. E. Davidson,  
Miltonvale, Kansas.

Dear Mr. and Mrs. Davidson:

I am sorry that I did not have time to visit with you good people when I was rushing to catch a train back for Lawrence.

It was a very happy surprise for me to be able to say hello to you in my hurried visit. However, I do want you to know that I remember with great pleasure our associations at Teachers College at Warrensburg.

I am just now checking my trip and expect to tell Mrs. Allen all about my short and pleasant visit with you.

With every good wish, I am

Very sincerely yours,
