

April 28, 1943.

Mr. Harry Dawby, Chairman,
Juvenile Protection Committee,
State Department of Social Welfare,
Topeka, Kansas.

Dear Mr. Dawby:

It was nice to have your letter of thanks. It was a pleasure to see you and an added pleasure to discuss with you in the panel the recreation program. I quite agree with you that we are in for tougher problems which will require increased vision and activity in combating increasing juvenile delinquency.

Very sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
