

your best teams.

I will certainly call upon F. T. Logan. Also, read that Ernie Vance was coming to Chapel Hill. Maybe I will get to see him also.

There is a lot of stress on physical training, and as a result I am in about the best shape of my life. ~~My~~ weight is 210 now.

I wrote a letter to Mr. Scott. Did he ever mention having received it? He didn't answer it.

I know how busy you must be but if you ever have the time I would be very happy to hear from you again.

Very sincerely yours
John Dewell
