Mr. Dell Davidson,
1112 Illinois St.,
Lawrence, Kansas.

Dear Mr. Davidson:

This is just a little note expressing to you our sincerest and best wishes for your early and speedy convalescence. I feel terribly guilty in not getting around to see you either at the hospital or at your home, but the press of this business and that has kept me from doing the things that I most like to do at times.

I do want to express to you my sincerest and best wishes in your illness. It just doesn't seem natural when we don't see you around, but I believe you are doing exactly the thing that is best for you - to rest and give yourself an opportunity to build back up.

You spent a lot of energy in behalf of the Athletic Association through all these years, so if you do not show up for quite some time you will be way ahead of them as far as service is concerned. You have done a great job, Mr. Davidson, and all of us appreciate your loyal and untiring efforts in behalf of the University and her athletics.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
