

February 9, 1943.

Mr. Karl Klooz,  
University of Kansas.

Dear Karl:

Thank you for your communication informing me that John Dewell's fee money had been paid.

I am sending you a carbon copy of the letter I have received from Mr. Dewell, and my reply to him. Evidently by this letter Johnny was dissatisfied, and it looks to me as if things had been gummed up considerably. He was supposed to get 50¢ an hour and got 35¢. If he were to be subsidized 15¢ an hour for work on Buildings and Grounds and instead worked in the check room and got 35¢, I can easily see how it would be difficult for a boy's mind to understand why he could not have a subsidy of 15¢ on his check room job. Since it was to be paid out as a subsidy I have difficulty in understanding that, too.

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
