

I found there was an acute shortage
of Phy Ed instructor in this area.

I saw the state director of Phy Ed, Vernon
Lundeth Friend University, - he told
me he thought I could get a temporary
certificate to teach. It would be a
grand opportunity for me to get into
the California school system and
a chance to get started in life.

I would like for you to write
a letter of recommendation for me
and mention about me instructing
physical conditioning classes and
substitute teaching. I would appreciate
this very much.

It seems like everything is one
sided - I'm asking for help from
you - Maybe I can send you
some basketball players before
you retire - like Armond Dixon.

I saw in the paper where you
were only going to coach 7 more years
That's quite a long time for the
other Big Six teams to wait to win
a championship. I'm one of the
fellows that believe "It's the coach
not the material that wins year after
year."

Sincerely
George Dick
