Mr. J. B. Anderson, Coach,
Rockhurst College,
Kansas City, Mo.

Dear "Red":

Referring to our baseball schedule, the only dates we can play you are May 13, Wednesday, here at Lawrence, and May 15, Friday, at Kansas City.

We are playing Missouri on the 18th and 19th, and on May 21 I am to be in Humboldt, Nebraska. Our final examinations are from May 22 to 28, inclusive, and there is a rule against our playing during examination time and after school is out.

So the only possible date we can play you here is on the 13th, and in Kansas City on the 15th. You stated the other day that you would write me the next day, but I have not heard from you as yet. Will you please confirm these dates at your early convenience?

Sincerely yours,
