Dear Dr. Allen

As Sports Editor for the DODGER, our high school newspaper, I am interested in material for an article about the basketball players whom you are bringing with you for the clinic to be held here December 11 and 12.

Possibly you can give me information on this subject which I can use, such as the names of the boys, their suit numbers, and anything else useful as publicity for the team.

Gratefully yours,

*Jack Rynerson*
