Dr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas.

Dear Dr. Allen,

At the time of my visit to your office on April 27, you suggested the possibility that you might be able to secure a job for me at the Eudora plant this summer.

In addition, I plan to take your advance basketball course and some other work for graduate credit in the mornings at the university.

Mr. Hunn has informed me that my duties at the Effingham High School will be completed by May 26.

I plan to come to Lawrence a few days before school is out to find living quarters and to consult with you regarding the details of this work. In the meantime, if you have any suggestions regarding this summer's work, I shall be glad to have you write.

I am looking forward to my work this summer with genuine pleasure.

Respectfully yours

Ralph N. Dugan
