Dear Phog:

Thank you for your recent letter concerning my questionnaire relative to basketball. I am sure your opinion will represent a valuable feature in the article.

My reason for writing today is to inquire concerning the possibility of securing either from you or on the athletic market a copy of the evaluation charts which you were using in basketball during the time it was our pleasure to play at Kansas about four years ago. We are desirous of installing such a plan at Carleton; hence the humble request for such material.

Thank you in advance and best wishes for another successful basketball season.

Sincerely,

*Marshall Diebold*
