Dear Mr. Davidson,

Mr. Tom Parker of the Buick Company has been saving some oil for us for quite some time. Will you kindly call for it and store it at the stadium when it is convenient for you? We always need it to mix with our sand for sand greens and if we have it on hand we can always use it at convenient times.

Mr. Parker just called me this morning and told me it is there for the asking. Thank you for your cooperation.

Sincerely,

FCA/PE
