Mr. Dell Davidson,  
1112 Illinois Street,  
Lawrence, Kansas.

Dear Mr. Davidson:

Mr. George O. Foster has given or will give in the next week a lot at the southeast corner of 10th and Main Streets to the University.

We want to build one or two tennis courts on those grounds. Of course it will take some grading, and then the chat to cover it. I am wondering if you will take a look at the lot and see how many tennis courts you can get on there and then give me an itemized statement according to your figures of what second-hand pipe and wire will cost to fix it up in good shape.

Our budget is rather badly curtailed, but if there is any possible way I would like to build these courts this fall, and as soon as possible.

I will thank you for your early attention to this detail.

Sincerely yours,
