Mr. Dell Davidson  
Stadium

Dear Mr. Davidson,

Will you please roll the ground in front of the tennis backstop and also clean and line the courts south of the Hill by Wednesday at the latest?

Also, Miss Hoover would like very much for you to put up two new archery targets today or tomorrow at the latest. She is anxious also to have new faces put on all the old target as soon as possible.

I have tried to reach you by telephone, but have been unsuccessful so far.

Thank you.

Sincerely yours,

Director of Physical Education and Recreation
