

August 27, 1942.

Mr. Dell Davidson,
1112 Illinois St.,
Lawrence, Kansas.

Dear Mr. Davidson:

I am sending you this note as a reminder of the things we would like to have you do within the next week or two. I thought this would aid you in planning your fall work.

Remove all locks from baskets in women's locker room.
(Save these so that they may be returned to the lock company as a trade-in on new locks.)
Paint lines on both gym floors.
Cut and roll women's hockey field.
Clean off tennis courts and other play fields.
Cut hay and sell it from the intramural (Spencer)field.

If you wish to talk to me about any of these items I shall be glad to see you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
