OFFICE OF  
THE DIRECTOR OF INFORMATION

Dr. F. C. Allen  
105 Robinson Gymnasium  
University of Kansas

Dear Dr. Allen:

The democracy forum sponsored by the University of Kansas in the interests of national defense, and in which you have so graciously agreed to participate, has attracted the interest of the American Bar Association. Chancellor Malott has received from the Junior Bar Conference, a subsidiary of the national association, a request for copies of the addresses being delivered by University of Kansas faculty members in this project.

Should you have a copy of the address you planned, we would appreciate very much having one in order that we could comply with the wishes of the law group. I would not suggest that you go to the trouble at all of preparing a special copy, but in case you have an extra one handy, I think it would be a good thing if we could cooperate with the organization. Thanking you for your interest in the movement, I am

Sincerely yours,

K. W. Davidson  
Director of Information
