Mr. Art Dufelmeier
Beardstown, Illinois

Dear Art:

I had a letter from John Buescher yesterday. When I think of Beardstown I think of John Glenn, Art Dufelmeier and John Glenn. It occurred to me that you might like to read some yarns in my book, Better Basketball; there are seven stories, the "Tales of the Yesteryears" in the last part of the book, so I am mailing a copy to John Glenn and John will see that you get it. I trust that you will enjoy some of the reading in the text.

I assure you it was a pleasure to have a visit with you and I am hoping that John Buescher will make such a fine record at the University that you will want to play on the same team with the willowy, illusive, jumping, John Buescher.

With all good wishes for your outstanding success this fall in football and basketball, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
