Mr. E. C. Quigley
St. Marys, Kansas

Dear Ernie:

We play the Kansas Aggies here on Monday and Tuesday, April 7th and 8th. On April 1st I go to Altamont, Kansas to speak to the Boosters Athletic Banquet so I will have to leave before baseball practice is over.

On April 2nd I speak to the Metro Club in Kansas City at noon but I will return in time for baseball practice, although I have a budget meeting at 4 o'clock. Then on April 4th I have been invited along with the Varsity Basketball Team to Kansas City, Missouri to be the guest of the Kansas City, Missouri Kansas Relay Club, but we will not leave until about 5 o'clock.

On any of these afternoons I would appreciate it if you would come down and give our boys the benefit of your knowledge on the interpretation of the rules. It certainly would be swell of you and we would enjoy having you.

This letter is in response to your desire that I write you and call your attention to these possible dates. Will kindly inform me if it will be possible for you to be with us.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
