Mr. "Phog" Allen
Director of Athletics
Kansas University
Lawrence, Kansas

Dear "Phog":-

I have been recently appointed Baseball coach at Rockhurst College here in Kansas City, and I find that no constructive work has been done as to a schedule for 1941.

I would like very much to schedule a home and home game with Kansas University, realizing of course that your schedule is more or less filled and controlled by your conference.

I have booked tentative games for April 18th, 25th, also May 2nd and 9th, but the balance of our schedule is open and we would be pleased to fit into any plans and dates other wise that you might formulate.

Has been a long time since I have had to compete against the Allen Clan - never will forget the old K.C. Athletic Club days and the battles on the old field at 32nd & Holmes. Every time one looked up here came an Allen, either Pete, Hubert or Dick, and they were tough competition too.

If you can fit us into your picture will appreciate it very much. We will have a splendid, well balanced club, am going to await word from you before endeavoring to complete a schedule so let me hear from you as soon as possible.

Sincerely yours,

BY

P.S- We will be ready to open April 11th if the weather permits
