My dear Gwinn:

In all probability we will have baseball again this year. It should be a fair club, good enough to give you at least an opportunity to work out your "rookie" pitchers.

Would like to play you a couple of games at either place, each team paying its own expenses. Probably will not be ready to play until after Easter. If interested, drop me a line.

In case you "happen" to be in Kansas City this next week, don't hesitate to look me up. This is going to be a great tournament.

Very truly yours,
