Dr. F.C.Allen,
University of Kansas,
Lawrence, Kansas

Dear Dr. Allen:

Last night Rev. and Mrs. Barr heard you speak at the meeting of P.T.A. and enjoyed your address very much. In discussing plans for the high school department of our church, Mr. Barr suggested we contact you to see if you would give this address on Sunday evening, February 4 . This will be a joint meeting of the Baptist, Presbyterian and Christian high school young people and will be held in our church. The meeting is at 5:30 with a social half-hour and the program follows at 6 o'clock with a short devotional service for about fifteen to twenty minutes, this gives about forty-five minutes for your address, as the meeting closes at 7. We shall be glad to hear from you soon as to your acceptance of this date.

Sincerely yours,

Dr. Allen:

This has been abit delayed but I wanted to check up for certain before sending it as to dates. We shall hope you can be with us on Feb. 4.
