

January 2, 1940.

Mr. Dudley DeGroot,  
Director of Physical Education,  
San Jose State College,  
San Jose, California.

Dear Dud:

I am enclosing a copy of a letter I have just received from the Medart people in St. Louis regarding the Goal-Ri standards. We really rode rough-shod over those fellows, and I hope that the prices arrived in time for your consideration - if the prices were right, and I hope they were.

By the way, Dud, we have been reading a lot on the football coaching situation and we are hoping that yours truly is the number one man.

Burt and Ruth left for New Orleans early Christmas morning and I noticed lights in the house last night, and by this sign apparently the DeGroots have returned. However, I have not seen them today, but expect to see them real soon.

I trust that you and yours had a very merry Christmas and happy New Year, and here's wishing you the best for 1940.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
