Dallas - 1³⁰ a.m. Sunday

Dear Dr. & Mrs. Allen:

A short lay-over here, waiting for my Calif. plane, gives me just the minute I need to drop you a note of sincere thanks for your generous and cordial hospitality during my few hours in Lawrence. The lovely dinner and peek into your home; the opportunity to meet your youngest three, and the brief chat in Dr. Allen's office indeed shall long be remembered.

It is my fond hope that some day soon you will be able to pay us a visit in California - so that you may meet my young but rapidly growing family.

Burt & Ruth can't say enough
