

December 8, 1939.

Mr. Abe Denaburg,
Alabama Basketball Officials,
c/o Y.M.H.A.,
Birmingham, Alabama.

Dear Mr. Denaburg:

I ask your pardon for the delay in responding to your letter of December 1.

In answer to your first question, I would say that A-2 is not violating the three-second rule. It can only be counted with the ball is in possession, and a jump ball is never in possession of anybody.

For the second question I would say again that A-2 is not violating the three-second rule.

If you have any further questions at any time it will be a pleasure to hear from you.

With best wishes for a successful season, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
