Dear Dr. Allen:-

Kindly clear up these two rules for the Alabama Officials Association, here in Birmingham, Ala. They are as follows;

I. Jump ball in team A's front court at foul line.

A'1 and B'1 ----jumping.

A'2 stands under basket outside of 6 ft circle, but inside foul lane. Is A'2 violating the 3 second rule?

II. Same as above but, time out has been called and play resumes with jump ball. Is A'2 violating the 3 second rule here?

Taking this opportunity of thanking you in advance for your prompt attention in this matter, I remain,

Yours,

Abe Denaburg
