Dr. Forrest C. Allen  
Director of Physical Education and Recreation  
Department of Physical Education  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

It was certainly kind of you to take time out from your busy life to drop me a note on Burt. We are so happy to know that you are pleased with him, and to learn, in addition, that he is doing an acceptable piece of work for you.

Evidently you are keeping him busy, or else he is a loafer, because I have had only two letters from him since he arrived at Lawrence. Both, however, exude enthusiasm for one, Fogg Allen, as well as for Lawrence, and the University of Kansas. He seems to be happier in his present location than in any job which he has had since graduation from Stanford, some years ago.

I am flying east to scout Drake on the 24th, and am hoping that it will be possible to stop over in Lawrence for at least a few hours.

Again with sincere thanks for your kind letter, and with best regards to Burt, I am

Hastily yours,
