Mr. C. Lee Detter,
Fair-Detter Lumber Co.,
Hutchinson, Kansas.

Dear Mr. Detter:

It was a pleasure indeed to arrange for
the Fairs and the Detters to see the game in Kansas City,
and we do appreciate your loyal support.

If we get through the Big Six next year,
which is always a struggle, we will feel pretty proud
of ourselves. But we will do the best we can.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
