Dr. Forrest C. Allen
Chairman of the Rules Committee on Basketball
University of Kansas
Lawrence, Kansas

Dear Mr. Chairman:

As secretary of the Council of Church Colleges and by direction of said Council at its meeting held a few days ago at Bethel College, Newton, I am communicating to you the resolution adopted by the Council concerning Basketball rules. Here it is:

"It was the formal opinion of the Council that Basketball rules be amended in order that the game may be slowed down somewhat. A feeling was expressed that the game as played under the present rules constitutes a menace to the health of the players. President Mossman, at his request, was recorded as voting against this resolution. The Secretary was directed to send a copy of the resolution to Chairman of the rules committee on basketball, Dr. Forrest Allen."

With expressions of esteem, I am

Cordially,

Dudley Doolittle
Secretary
