

April 28, 1939.

Mr. F. B. Toalson, Principal,
Dodge City Senior High School,
Dodge City, Kansas.

Dear Mr. Toalson:

It was good to hear from you again. Yes, indeed, if we are able to arrange a trip to the west coast we will be very glad to stop over for a day and work out with your team.

However, as I explained to Doral, doubtless we will not be able to make the trip this year on account of too many previous engagements that we have with the University of Texas and S.M.U. They are coming up our way this season in return for two games we played at each school last winter, so that will take four games off our schedule. We are limited in the number of games that we play, and for that reason we will not be able to go to the west coast. However, should we be fortunate enough to arrange a game next year it will be a pleasure to stop by and have a visit with you fine people. It is always a pleasure for us to come to Dodge City.

With all good wishes, I am

Sincerely yours,
