Dear Phog:

I understand you will be in San Francisco for the annual Physical Education and Recreation Conference April 3rd to 6th.

I would appreciate it if you would take a few minutes off during the convention and look over a Drying Hangar for Football and Baseball equipment which Mr. Lamar, the inventor, and I will be exhibiting in Booth No. 56 in the Auditorium.

I personally think it is a fine device, with splendid sanitary usefulness as well as a real equipment saver, and I would like to get your opinion on it.

Kindest personal regards.

Sincerely,

Herb Dana
