Mr. C. G. Mickel, Principal,  
De Soto Rural High School,  
De Soto, Kansas.

Dear Mr. Mickel:

I greatly appreciate your kind invitation to meet with your high school students, and I shall be very happy to come on Thursday morning, February 9. I understand that you will call for me at my office at 9 o'clock that morning, and get me back here in time for me to meet my 11:30 class.

I could not conscientiously make a charge for the speech, but if you have an activity fund to cover such matters whatever you care to give will be perfectly agreeable with me. However, I assure you I am glad to come without any charge.

It would be fine if some of the other neighboring schools would like to meet with your school, as you suggest, and whatever arrangements you make with the reporters will be quite satisfactory. We shall do everything we can to make this meeting a success, and it will be a pleasure for me to meet with your students. I shall be glad indeed to talk to the three boys you mention.

Looking forward to seeing you next Thursday morning, and with best wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
