

January 18, 1939.

Mr. Elwyn N. Dees,
218 Lincoln St.,
Stillwater, Okla.

Dear Elwyn:

I think that possible connection you might have with "Smoky" Joe Wood is swell, and if I were you I would go to work on that angle right away. I feel this might be a very important contact.

Thanks for your good wishes for our games this week. The boys just don't seem to have what it takes this year.

Cordially yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
