Lawrence, Kansas.

Dear Mrs. Droom:

I trust that David is showing much improvement in his studies and that his grades for the semester will be gratifying to you both. I just wanted to be sure that you understood he was not dropped from his work here in the gymnasium until it was definitely ascertained that he was failing in his courses.

We had early reports on his progress and he told me himself that he was failing in his work long before mid-semester. I hope that he is doing much better work now.

If there is any way in which we can help you I assure you it will be a pleasure.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
