Dear Mr. Allen

I thought I'd write  
and let you know I'm  
still working for Phillips  
Pet. Co. although I'm trans-  
ferred to Eureka Kansas.  
I was transferred here  
last week. I am working  
in the gang at Thrall  
we fix leaks in oil lines  
and travel all over Kans.  
I have been working  
in construction at Okla  
City for the last two  
months and I got a  
chance to come here  
and I took it. The  
job pays \$137. a month  
and expenses when  
we are on the road.  
It will last until
