

have much to say about
jobs.
I have a good job
"dressing tools" for Phillips
Pet. Co. I'd play W. M. C. A.
ball for the Gov. I worked
out with Parks the
first of the season
and could have been
a substitute but was
afraid it would have
hurt my eligibility.

I would like to
go to school at R.V.
and I know I could
make your ball club.
If you are interested
you can write to Jim
Luskabough (Capitol Hill
High School Coach, or
Gley Pridgen manager
Parks Basket Ball Team
for references.
