Mr. F. B. Toalson, Principal,  
Dodge City Senior High School,  
Dodge City, Kansas.

Dear Mr. Toalson:

I am very happy to accept your kind invitation to be present at your tournament and to give a clinic lecture on fundamentals and team play to your teams on the dates that you mention. You are right, my expenses will be railroad fare, hotel and meals.

I will make every effort to stay over on Friday, if possible, and as things look now I will count on two very pleasant days to be spent with you on January 26 and 27. If I should have to return Friday after luncheon on emergency call, it is not a contemplated one.

I have many friends in Dodge City and it will be a pleasure to visit with you and the rest of our good friends. I want you to know that I will derive as much pleasure out of being there as any information or inspiration that I might impart to the visiting high school boys.

When you get ready for the publicity I will be glad to send you a mat and any other information that you desire to help in your contemplated promotion. Also, if you should desire me to speak at your high school assembly, or your junior college, or if you care to use me in any capacity I will be in your hands to do with as you wish.

Assuring you of my very happy cooperation, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
