Mr. Forrest C. Allen
Varsity Basket Ball Coach
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

We should like for you to attend our tournament, January 26, 27. We will have four games on, January 26, possibly two in the afternoon and two in the evening. We should like for you to attend these four games and then remain over for the next morning. At this time we should like to have you criticize the various players and teams, and attempt to give them constructive help. At this time we should like to have you give a lecture on fundamentals and team play.

We probably would have dinner together that noon and you would be free to return to Lawrence after that. We shall be glad to pay you \$25 and expenses. We are assuming that your expenses will be railroad fare, hotel, and meals. We will count on you and arrange publicity to that end.

Yours truly,

F. B. Toalson
Principal

FBT/bn

We would like to have you stay all
day Friday if possible. *FBT*
