Lawrence Kansas

Dear Allen Kind Sir I am writing
you in regard to my son Richard
Doss after leaving your office
Friday afternoon we went to Richards
room 413 W 14 st nothing irregular
we asked him to come home with
us as he had been at school about
3 weeks and is returning Monday
morning to be ready ^{for} Jan Tuesday
he seems to be quite friendly with a
boy by the name of Dan Bernstein
who we didn't meet while there.
There has been cases where a older boy
will mislead a chap like Richard this is
only a opinion I had him into see
Dr Gibson Saturday morning at N @ office
had the pleasure of making his acquaintance
I think he is a very fine man
