Forrest C. Allen,
February 17, 1938

I have a feeling in my bones that you will tell the boys something either just before the game or between halves at Oklahoma, that will put the game on ice for Kansas.

With sincere thanks and appreciation for your gift, which I am proud to keep in my reception room, I remain

Sincerely yours,

A handwritten signature in cursive script, appearing to read "O. W. Davidson".

O. W. Davidson, M.D.
