DEPARTMENT OF PHYSICAL EDUCATION

Dear Dr. Allen:

We are offering the following courses carrying graduate credit this Spring:

100	Prin. of Community Recreation	3 hrs.
A 254	School Hygiene	2 hrs.
M 194	Content & Method of Phys. Ed.	3 hrs.
202	Org. & Administration of Phys. Ed.	3 hrs.
300	Special problems of Phys. Ed.	2-4 hrs.

13-15 hrs.

I should think that this would be enough to offer this Spring. If not, we might petition the graduate school to:

1. Change the number of course 90 Remedial & Physical Examination to No. 110 so that the course will get graduate credit.
2. Offer a new course No. 112, the title of the course to be "-officiating major Sports & Games".

If these offerings are not sufficient, I suggest that we offer:

176	Tests & measurements in Phys. Ed.	3 hrs.
312	Seminar in Physical Ed.	3 hrs.

Very sincerely,

Henry Shenk
