Shots and Held Balls

- I Explain <sup>one method</sup> how <sup>a</sup> forward recovers <sup>the</sup> ball after held ball" and before referee declares held ball.
- II Elaborate upon a second method that the forward may choose to obtain a held ball from his opponent.
- III Give the merits and demerits of the pivot-post play as an offensive weapon in present day basket ball.
- IV. State your preference and give reasons why you prefer the one-hand or the two-hand pivot spin shot off of the post play
- V. Do you prefer the single pivot-post play at the side lane or the double pivot-play in your offensive set-up? Give reasons. If you do not use either of these two offensive styles please state what <sup>style of</sup> play you think is superior to the single or double pivot-post play and give reasons.
