M. E. Rice

Chairman, University Committee
on Examinations

Recommendations in regard to examinations for credit adopted by the College
Faculty, January 16, 1934:

→ "(4) That the examinations be given by the Senate Committee on Examinations
on questions furnished by the respective departments.

(5) That the examination questions, and examination paper after the latter
has been graded by the department from which credit is requested,
shall be turned over to the Senate Committee on Examinations and by
that committee filed with the Advanced-Standing Committee of the Univ-
ersity for permanent records."
