

ASSIGNMENT XI.

Chapters XVI, XVII, XIX.

Offensive Plays from Out of Bounds and At Center

REFERENCE: Better Basket Ball incorporating Technique, Tactics
and Tales.

1. Explain the tip-off lanes and your system of signaling for a play.
2. Explain what signals are necessary for out of bounds plays. Also give five out of bounds plays that should provide scoring opportunities for the offense.
3. Diagram two set offensive plays against a zone defense. Also explain how and when the men move to their respective positions.
4. In a four hundred word article explain the evolution of the defense.
5. Write a five hundred word article on the special defensive situations that a coach should drill his teams upon.
