

It would be advisable during the progress of this course for the student to refer constantly to some reliable athletic journal for extra material to aid him in broadening his knowledge of the subject. The Athletic Journal and The Scholastic Coach is a fine source of material for all seasons; The American Physical Education Review, ^{and Mind and Body} are ~~other~~ splendid magazines for this purpose. In addition to the above there are other worthy ones, some of which you may prefer.

All references mentioned in this and in succeeding lessons are merely suggested and not required.
