Dr. F. C. Allen,

University of Kansas

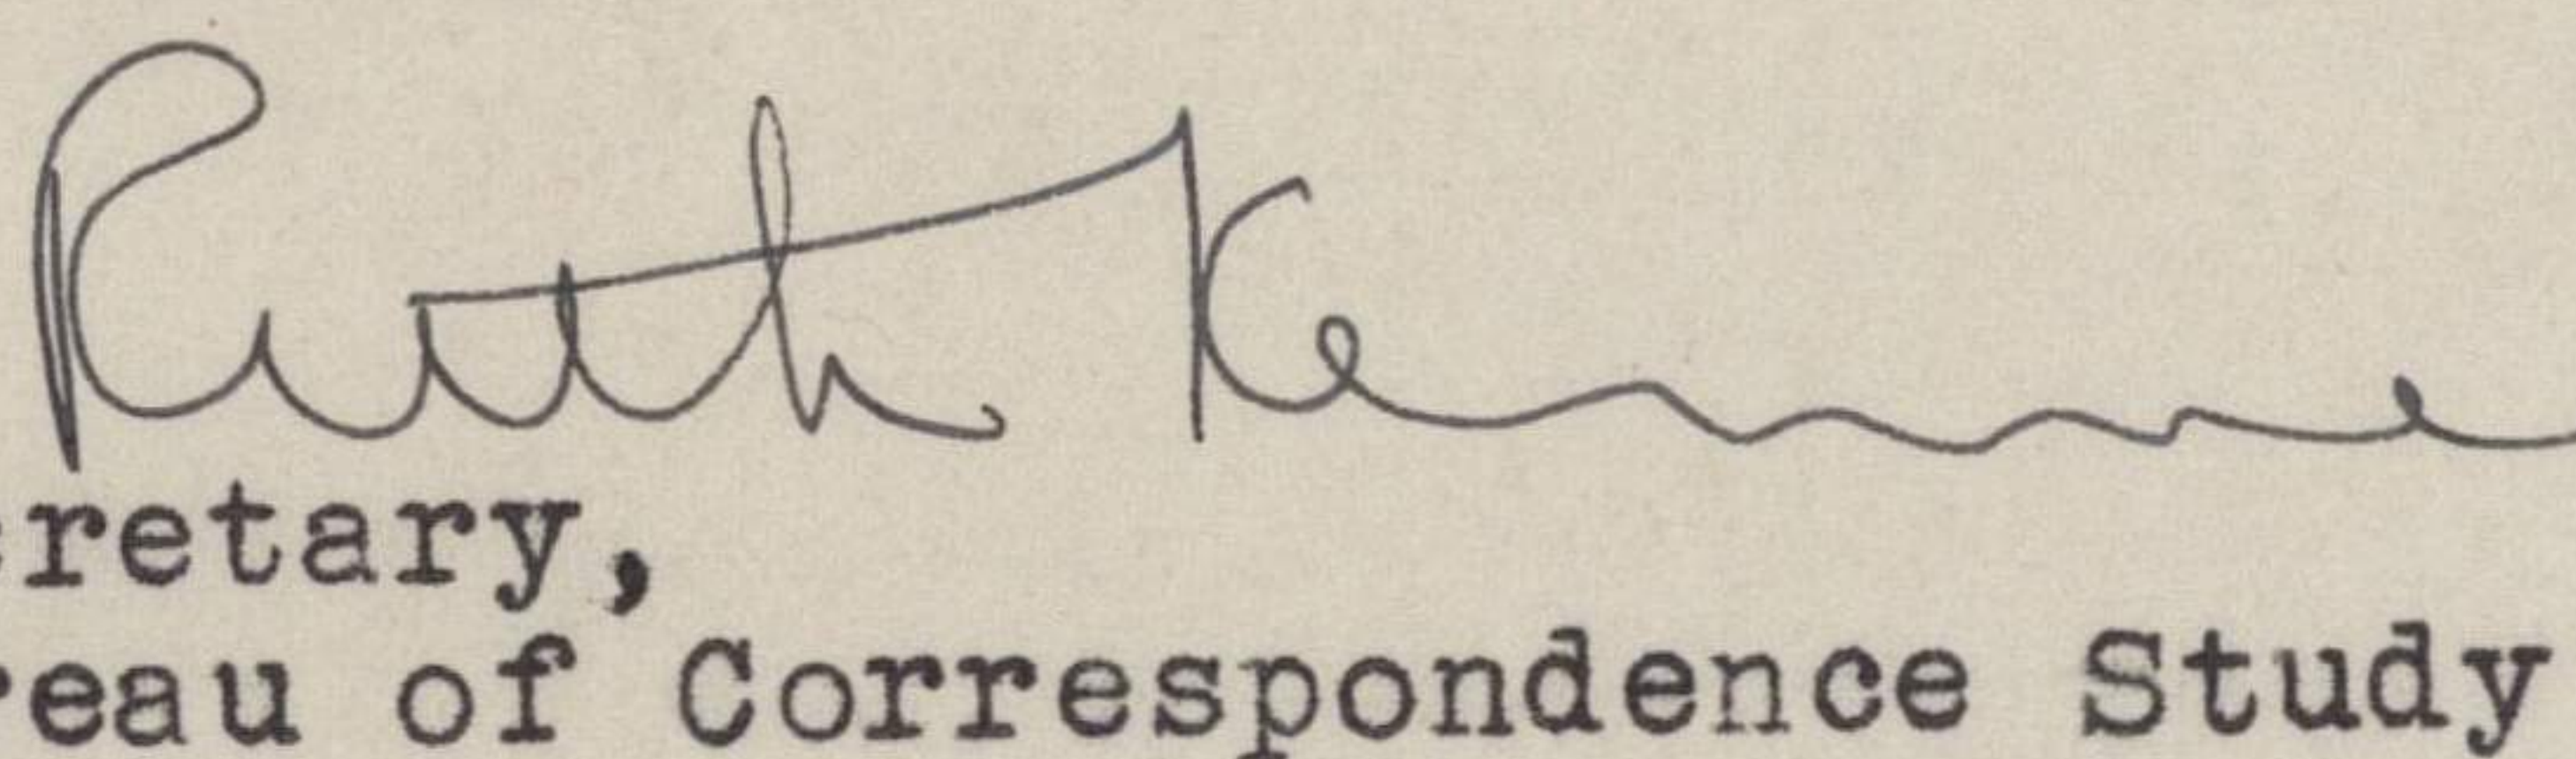

Dear Dr. Allen:

It is necessary that we revise our correspondence study catalogue this spring and we would like to get the material to the state printer just as soon as is possible.

Will you please check the enclosed announcement of correspondence study courses for your department and return it at your earliest convenience? If there is any question about the work I should be more than glad to talk with you about it. If there are to be any revisions made during the summer perhaps it would be well to include them in the new catalogue.

Thank you for your cooperation.

Sincerely,

Secretary,
Bureau of Correspondence Study
