Miss Ruth Kenney, Secretary,  
Bureau of Correspondence Study,  
University of Kansas.

Dear Miss Kenney:

Thank you for your letter of the 23rd ultimo regarding the enrollment of Mr. Laurence Eugene Butler in the two courses, Basketball for Men and Track & Field Athletics.

I will be glad to personally grade his papers in the basketball course. I would suggest that you write to Coach Hargiss, as he is in the Athletic Department and handles his work independently.

The new book, Better Basketball, will be released from New York this week. It will be on sale at Rowlands and also Carl's, and I trust that you will be able to secure a copy very soon.

Sincerely yours,

Varsity Basketball Coach,  
Director of Physical Education.
