Dr. F. C. Allen
Robinson Gym
University of Kansas

Dear Dr. Allen:

The other day, Mr. Lawrence Eugene Butler, now coach at Goodland, Kansas, wrote in to say that he wanted to take by correspondence study the two courses, Basketball for Men and Trach & Field Athletics, if Dr. Allen and Mr. Hargiss personally would handle the papers. His object is to take the courses for credit to "improve his ocaching methods".

We assured him that you would handle the work for the courses and so he has enrolled. We sent him the lessons for the new course in Basketball and told him that the text would not be available until in December. Therefore he is going to begin at once on Track and send lessons in that subject. Will you please explain to Mr. Hargiss and tell him this man will greatly appreciate his cooperation.

Mr. Butler received his A. B. degree from the University of Kansas in 1929 and his M. A. in 1936. He should be a splendid student.

Sincerely yours

Secretary
Bureau of Correspondence Study
