Mr. W. Roy Breg,
Executive Secretary,
Allied Youth,
National Education Association Bldg.,
Washington 6, D. C.

Dear Mr. Breg:

I have held your request for an article on my desk, hoping it would be possible to give you a reply before this time. However, my administrative duties, in addition to basketball coaching and a rather large number of speaking dates over the state this fall and early winter, have caused me to neglect writing you.

Will you kindly tell me when your next issue will be out, and what the deadline is for an article? It will soon be a little late for a basketball article. I shall be happy to hear from you.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
