Miss Ruth Kenney, Secretary,  
Bureau of Correspondence Study,  
University of Kansas.

Dear Miss Kenney:

Confirming our phone conversation of this date, Mr. Shenk feels it would be better if we waited a year for a revision of the football course.

I am passing the information on to Mr. Ray Kanehl, who will revise the track course. And Mrs. Allen will revise the course in basketball. The text for track is written by Bresnahan and Tuttle. We will continue to use Better Basketball for our course.

Sincerely yours,
