

77TH CONGRESS
1ST SESSION

H. R. 1074

A BILL

To promote national preparedness and the national welfare through appropriation of funds to assist the several States and Territories in making adequate provisions through schools for physical education, including athletics; instruction and guidance in healthful living; wider recreational use of school facilities; and the development of school camps.

By Mr. SCHWERT

JANUARY 3, 1941

Referred to the Committee on Education
