Dear Dr. Allen,

Your letter of Aug 15 arrived just after I had written you. Acting on your suggestion I have written the Chamber of Commerce for an application form.

I inferred you meant I should get the form and make it out but if you think it OK to do so yourself please do not hesitate.

If you do not see your way to decisive victory in this matter and can keep it alive until I return on Sept. 12 maybe I can help. Anyhow

Thank you -

Sincerely,

A. J. Smith
